

GPS Treasure Hunt

Take part in a high-tech treasure-hunting activity called geocaching. It's a worldwide hide-and-seek game played with GPS technology.

Players use GPS receivers to locate hidden containers called geocaches and then share their experiences online. This event takes approximately one hour to complete.

Fri 20 - Sun 22 August, 10am - 4pm
CSIRO Discovery, Black Mountain

Geocachers, this event is the perfect introduction to geocaching. Send your muggle friends and family!
